

American Canyon

Arts Foundation

Public Art Workshop

Thursday, November 12, 2016

The City of American Canyon, working with the American Canyon Arts Foundation, the Arts Council Napa Valley, and other community leaders and businesses, is working on a Public Arts Ordinance, which will address such issues as where should public art be located, what types of art should be encouraged, and how to pay for it all!

We invite the public to attend this free workshop to learn more about the matter and give us feedback and suggestions.

We also want to talk about our first public art project, the 9/11 Memorial Statue. Noted Napa Artist, Gordon Huether, who designed the piece, will be there to talk about the project and art in general.

Location: American Canyon Public Safety
Bldg. (Fire Station)

911 Donaldson Way East

Date: Thursday, November 12, 2016

Time: 6:30 p.m. to 8:00 p.m.
